Pretty Mothers

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend, a remedy that has been so long in use, and accomplished so much good, that it is in no sense an experiment, but a preparation which always produces the best results. It is for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon involved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood. Mother's Friend has been used and endorsed by thousands of mothers, and its use will prove a comfort to any woman in need of such a remedy. Mother's Friend is sold at drug stores. Write for free book for expectant mothers, which contains much valuable information. **BRADFORD REGULATOR CO., Atlanta, Ga.**

IS GOOD SHORTSTOP • AND HARD HITTER

Jack Barry.

Shortstop Jack Barry, of the Philadelphia Athletics, is maintaining the good reputation this season which he won in past years. He is one of the cleverest shortstops in the league and now has a batting average of .278. Barry first gained prominence and attracted the attention of major league scouts while he was playing on the Holy Cross college team. On his graduation in 1908 Connie Mack got him. Barry had played every infield position at Holy Cross, but Mack soon discovered that he was a natural shortstop and placed him there. Barry is a right-handed thrower and hitter.

CARFIELD AT BULL MOOSE CONVENTION

James R. Garfield.

James R. Garfield, of Ohio, is one of the most enthusiastic delegates at the National Progressive convention in Chicago. He predicts all kinds of success for Teddy in November, and even puts Ohio in the Roosevelt column. Garfield was secretary of the Interior during Roosevelt's last administration, and probably has been promised his old job back again in case the voters again put the colonel in the White House.

WOMEN SHOULD BE PROTECTED

Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."—Mrs. DEMA BETTUNE, Sikeston, Mo.

Murrayville, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. My health was all broken down, the doctors said I must have an operation, and I was ready to go to the hospital, but I changed my mind so that I began taking your Compound. I got along so well that I gave up the doctors and was saved from the operation."—Mrs. CHARLES MOORE, R. R. No. 3, Murrayville, Ill.
